CHANGES AT COOKEE'S!!

- 1) We have added Cream Slushes to our menu! My favorite is Orange Cream Slush!
- 2) We had a great response to our upgraded chicken nuggets! Real breast meat, not that mystery meat! These are great and people are loving them!

NEW ANNOUNCEMENTS!

- 1) First, thanks to all participating in our Cruise Nights! It has been a great success and a fantastic time! Our last one of the season is Saturday Sept. 27th. Hope to see you there and **free fries** with every sandwich w/drink order!
- 2) By now you have all seen the new paint scheme on Cookee's! Thanks to all those who gave us enthusiastic thumbs-up on our bold change!
- 3) New fluorescent lights now make our drive-in well-lit and inviting as the Winter months grow closer! Thanks to Ron Huffman for a great job!
- 4) We are having John Miles build us two new trash receptacles matching the "Wishing Well," theme. One for each side to help you not have to walk so far to dispose of your trash!
- 5) Thanks to all who have made our slushies a huge success. We are working on more flavors. Example-peach, lemon, watermelon, banana, green apple, mango, and red raspberry. Give us your thoughts on your favorite flavor!
- 6) Hopefully our new window chalk has helped relay our messages to our customers. Look for our new sign to be installed soon, on the pole next to us.
- 7) Watch for us in the Pleasonton Day Parade! We are working on a neat 50's themed float!
- 8) We have MANY new ideas and activities in the works. Keep coming back and see what we are up to next. Next year will also bring more Cookee's upgrades!
