NEW ANNOUNCEMENTS!

We have some good news, and we have some sad news.....

- 1) We are pleased to see everyone using both the new trash receptacles. No more having to walk all the way across the lot to get to our trash can!
- 2) Not as fancy as the Drive-In, but we did put a fresh coat of paint on the storage building. At least now it has a nice white shine! Every little bit helps Pleasanton!
- 3) We had a great turn-out for our Haunted Drive-In celebration! The haunted house, although small, and our first attempt, went over very well. We have videos on youtube! Look for cookeesdrivein on youtube or check our website history link.
- 4) We attempted some Christmas decorations. All the awning pieces were destroyed by wind. The lights are still hanging in there however. We will try something different next year. Live and learn I guess. The lights are very pretty at night, however.
- 5) We lost our 21 year old son and cook, Matthew, to a roll-over car wreck on Dec 14th. He was a great help to us at Cookee's and a great kid. We will miss him dearly, along with many in and around Pleasanton. Almost 300 attended his visitation and funeral. Thank you so much to those who attended and gave us support.
- 6) Finally, we purchased the Cook/Spence building next to us. We hope to eventually have dances for the teenagers and perhaps offer a low-cost meeting place for those needing a space for clubs, meetings, wedding receptions, etc. Time will tell.
