- 1) We've made tons of changes at Cookees! We've added **egg-rolls, chicken gizzards and livers, fried green beans, fried zucchini, and fried pickles (our own recipes)**. For your ice-creams and shakes, we've added **3 new toppings! Blueberry topping, peach topping, and butter pecan too!**

- 3) We are again having our Cruise Nights on the last Saturday of each month. If you have a car, truck, bike or anything else you want to show, bring it! It's for fun! We will now start a 50/50 pot and donate ALL proceeds to charities for Linn County. May's charity is, "Linn County Children's Coalition!"
- 4) We are adding something new for the community. We tried to come up with something other than our Cruise Nights, to help get the family out of the house. We came up with Movie Night! We will pay the licensing fee and show a newer film on the wall of the building next to Cookees! Bring just \$4.00 and your lawn chair, and see a movie! Cookees will supply you with FREE popcorn! Come on out, every 2nd Saturday of the month! Check www.cookeesdrivein.com/movienight.htm for more info.
- 5) We will extend our hours when school is out. 11-9 M-Sa. 11-7 Sun.
- 6) Cookees added a '56 Chevy to our family! Now we can have a classic car!
- 7) **As always, our door is open. If you have suggestions/feedback, please tell us!**

**Try our healthy Deli Sandwiches!
You definitely get your money's
worth!!**
